GLOBAL TEACHERS BANK

E - Mail : teachertraining.aksfpsa@gmail.com

The GLOBAL TEACHERS BANK, a project under the auspicious Of AKSFPSA to help teachers for better employability and opportunity in schools as per subject speciality, team consists of dedicated and sincere teachers with years of experience in school education, staff management and administration system. We have been organizing competitive examinations among school going students to develop confidence, identify the talents, appreciate their efforts to excel and nurture them. Every year we organize a good number of workshops and other activities for teachers and students to promote quality education. All the teachers registered in the teachers bank will be given annual training and certificates.

The objectives of Global Teachers Bank

Nurture and foster thinking abilities in Teachers.

Explore the talents and creativity of Teachers

Develop confidence and competency in Teachers.

Prepare Teachers for competitive and qualifying examinations (KTET, SET, NET, JRF etc...)

Organize educational seminars with the intention of promoting quality of education

Organize various capacity building and empowerment programmes to

update the professional competency

of teaching faculties and educational administrators.

AKSFPSA

All Kerala Self Financing Private School Association is a voluntary, registered organization in the field of education, promotes creative and quality education in schools and institutions for sustainable development. The AKSFPSA consists of dedicated, sincere teachers and educational administrators with years of experience in school education and excellent academic track record. Further the team is guided and supported by principals of various schools, subject experts and professionals. The board of directors, elected from the principals of member schools, recognized by CBSE or State, headed by the chairman, is the final authority to take the decisions and policy matters regarding the schools recognition, legal issues based on government policies, employment issues and other matters connected with school's day to-day activities.

We organize a good number of work-shop classes, seminars and other activities for teachers and students to promote quality education. Within a short span of time AKSFPSA has become a synonym for Quality, Reliability, and Standard (QRS).

MAJOR SERVICES TO MEMBER SCHOOLS

- Provides Teaching Staffs to the member schools under special scheme
- Undertakes staff training and school promotion works.
- Conducts free seminars, workshops, festivals and camps for teachers and students at each semester or term levels.
- Conducting certified training programmes for Teachers, HMs and managers in English Language Training (ELT), Maths, EVS, and school administration and management programmes.
- Implementation of Smart School Management Programme (SSMP - to help the school to grow economically and professionally)
